

SLIMLINE LITE II™ 17.3 OPTIONS

Rack Drawer Flip-up LCD Monitor/Keyboard/Trackball with Popular Options Installed

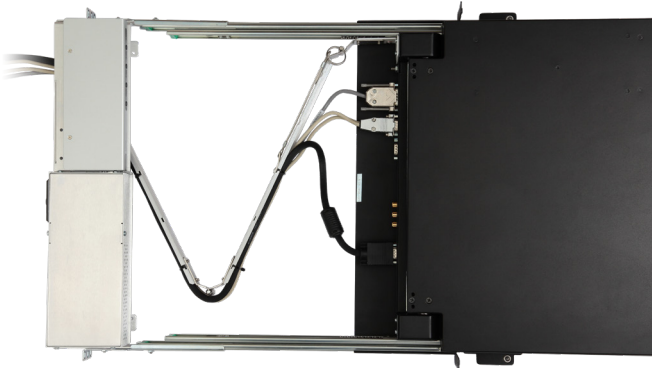

The rugged SlimLine Lite II 17.3 features a full HD (1920 x 1080) wide-screen display in a compact rack drawer.

The adaptable design allows configuration with numerous options, such as a 19" Rack Mount Sleeve, a Cable Guide to prevent cables from binding, and an attached Power Supply. Additionally, several keyboard/trackball options are available to serve your particular requirements.

As with all General Digital ruggedized monitors, configuration control and long product life cycles ensure continuous, reliable operation for years...decades, even.

Shown at right is a SlimLine Lite II equipped with popular options: Cable Guide, 4-port KVM Switch and 1U Rack Mount Power Supply
