

SLIMLINE LITE II™ 19.0 SIDE MOUNT

Rack Drawer Flip-up LCD Monitor/Keyboard/Trackball Mounted 90° Sideways to Rack

For easy access in tight, compact environments, the **SlimLine Lite II 19.0" Side Mount** is a modified version of our original SlimLine Lite II. The display can be factory configured to face sideways to the rack, either 90° right or left.

This robust unit is intended for use in space-constrained industrial and military applications.

The entire SlimLine Lite II Series features high contrast LCDs that optionally can be enhanced to provide high brightness and/or NVIS compatibility. Numerous other options abound.

Side mounting reduces operator workspace, while retaining all of the standard SlimLine Lite II benefits

FEATURES

- ▶ 19.0" LCD, 1280 x 1024 resolution
- ▶ Side-mounted unit minimizes operator working area
- ▶ Ideal for use in confined environments
- ▶ Low profile 2U (3.50") rack height
- ▶ VGA, DVI-D, Composite video inputs
- ▶ Standard configuration includes a keyboard and trackball
- ▶ Solid-bearing, locking slides for mounting directly to EIA-310 RETMA 19" racks
- ▶ Rugged aluminum construction with durable finish is designed to be in compliance with MIL-DTL-901, MIL-STD-810, MIL-STD-167 and more
- ▶ Designed, manufactured and serviced in the USA

OPTIONS

- ▶ Additional display sizes: 15.0", 17.0", 17.3"
- ▶ Compliance with radiated and conducted EMI requirements (e.g., MIL-STD-461, TEMPEST)
- ▶ Sunlight readable and MIL-STD-3009 NVIS-compatible display backlights
- ▶ Keyboard/trackball options: environmental sealing, colored keycaps and backlights, custom firmware
- ▶ Power supplies, DC-DC converters
- ▶ Extended warranties
